

Dear Alison,

Thanks for inquiring about mission support through First Presbyterian Church in Colorado Springs.

Attached to this letter/email are three documents:

- An application for individual support,
- Mission Priorities at First Presbyterian Church, Colorado Springs - 2008
- Support and Partnership Selection/Evaluation

Please read the description of our current involvement and priorities to gain an understanding of the ways that the congregation at First Pres is involved with God's work. A review of the Support and Partnership Selection/ Evaluation will help you assess how well your ministry fits with our priorities, and give a description of our categories for support. We would prefer to provide the application via email, and have it submitted to us electronically.

Here is the process for applying for mission support:

- Read each of the documents provided to discern your fit with our priorities
- Complete and return the application along with required documents
- Upon invitation, personal interviews are scheduled with the Missions Resources Team

Our church budget year runs from January to December. New applicants are usually considered in the fall of the current year for the following year. Applications that are received through the year are usually held for consideration in October and November. Final support decisions conclude in January, with notification to applicants soon thereafter.

Please contact me with any questions you have about the support and application process, or if you need additional guidance as you apply. 884-6109 or [sbuenger@first-pres.org](mailto:sbuenger@first-pres.org)

In Christ,
