Our Church's Mission and Vision for Our Student Ministry:

Our mission is to create a safe community for teenagers where they experience the love of Jesus and learn what it means to be a follower of Jesus

Our vision for this community is to be a place where teenagers:

- learn about the abounding love and grace of Jesus
- learn about their place in the Kingdom of God and how they can practically be active in God's work in the world
- feel safe to be themselves and wrestle with tough questions about life and faith
- are mentored and loved deeply by adults no matter where these young people are in their walk of faith
- experience belonging regardless of their faith background, home life, or personal issues
- are welcomed into the family of faith by the larger church
