

MISSIONS DIRECTOR (ASSOCIATE PASTOR) JOB ANNOUNCEMENT

POSITION: Director / Assistant Pastor of Missions, Outreach and Engagement

WHERE: First Presbyterian Church of Boulder

MINISTRY DEPARTMENT: Missions, Outreach and Engagement

DESCRIPTION: The Director (or Assistant Pastor) of Missions, Outreach and Engagement will help our church establish the next season of local and global outreach and community engagement while also bringing fresh and faithful perspective to our legacy mission commitments. First Presbyterian Church of (FPC) Boulder has a membership of 1200 and a desire to share the Gospel of Jesus Christ through hospitality, meaningful work with our city, and personal and corporate engagement with local and global ministries.

The person in this position will be responsible for:

- Share in church leadership toward realizing our vision and strategic focus, especially in missions, local and global outreach, and community engagement
- Equip and engage people in our church for local and global ministry and evangelism
- Provide opportunities for Covenant Partners and the community to serve the City of Boulder and beyond
- Strong organization, communication (oral and written) and computer skills
- Demonstrated ability to work with, motivate and mobilize people in ministry and mission
- Adherence and commitment to the essential tenets and core values of ECO

We are looking for someone with a heart for Jesus and a passion and love for Missions and community engagement, and has the following:

- Deepening and integrated faith in Jesus Christ
- Personal characteristics of love, vision, courage, integrity, evangelism, humility, and dependence on the Holy Spirit
- Leadership experience in multi-staff organization
- Experience, training and education in missions, outreach and evangelism
- Strong organization, communication (oral and written) and computer skills
- Demonstrated ability to work with, motivate and mobilize people in ministry and mission
- Adherence and commitment to the essential tenets and core values of ECO
