

East Main *Presbyterian Church*

Description of East Main Church and Our Community

As a result of being challenged to greater faithfulness to Jesus' Great Commission, in the fall of 2017 our session adopted the following mission statement:
East Main Presbyterian Church exists to honor God by making more disciples for Jesus Christ.

The main ways we are seeking to fulfill this mission are by:

- Growing as Jesus' followers ourselves.
- Sharing Jesus' love with those who are not yet following Him.
- Being engaged in God's mission to the world.
- Developing and deploying Christ-like leaders.

The congregation is located in the heart of Grove City, a town of over 8,000 people, 60 miles north of Pittsburgh. The church's property is located across the street from a Christian liberal arts college of 2,600 students. On a typical Sunday morning at East Main, all generations are well represented in our two worship services – one with more traditional and the other more contemporary worship music. During the school year, worship attendance averages approximately 450 people. In addition to a vibrant Sunday School program, there are numerous small group Bible Studies that meet throughout the week, as well as ministries for children and middle and high school youth. The congregation is deeply invested in the life of the community and is a strong supporter of mission both locally and throughout the world.
