Snapshot of SVPC

We have an average Sunday Morning attendance of 75. Easter brought in 117 but we didn't include it in the numbers because we didn't to skew the average. A breakdown of our active members are:

60-69 - 17%
50-59 - 18%
40-49 - 0%
20-39 - 15%

As far as a typical week: Mondays are usually PW Circle meeting days, although we do have a Sunday Circle that meets after Worship on the first Sunday. Our Session meets on the 4th Mon of the month. Tuesdays we have a Pastor led Bible Study that meets at 6 PM with an average attendance of 14. Wednesdays is choir practice and youth meetings; the Bessemer Music Club meets on the 2nd Wed of the month, except during the summer. Thursdays is young adults Bible Study; the Spiritual Life Team meets monthly on Thu. Currently there's nothing scheduled for Friday or Saturday, unless there's a special event. Sundays are very active with Sunday School and our traditional Worship service. We serve Communion on the 1st Sun of the month. Men's Breakfast and Bible Study meets the 2nd Sun of the month. Our Worship and Music team meets on the 3rd Sun.

Other Ministry Teams meet at different days and times. As for PW, we have Sunday Circle, Circle 1 and Night Circle with an average attendance of 25 total.

While we are always looking for mission and outreach opportunities, there are a few that we have participated in yearly for some time now:

We have been involved with Operation Christmas Child (Samaritan's Purse) the past 20 years. We collect items throughout the year and then have a big shoe box packing party closer to Christmas for the whole church.

We have a community outreach at the local high school called Feed My Starving Children (Kingdom Builders) that our church has been involved with since it came to the McCalla area a few years ago.

We support Rev. Cody Watson and the Frontier Fellowship and make monthly donations. It's always a joy having Cody come in and give updates on where his mission leads him.

Our PW has always had a heart for the Presbyterian Home for Children in Talladega, AL and our Christmas Eve service offering has historically been given to it. At various times, our PW and our youth have made trips there to volunteer. PW supports other missions throughout the year as well.

Monthly, we have members involved in Meals on Wheels.

We have been reading in the Bible Reading Marathon in Birmingham for 7 years now which began in Birmingham in 2000. For a period of 90 continuous hours, the Bible is read in public, out-loud, rain or shine, around the clock with folks reading in 15 minute intervals. Bibles are provided but you are encouraged to bring your own Bible so readings have been done in many different languages by folks all over the Birmingham area.

We are partners with Pleasant Hill Methodist in helping stock their Community Food Pantry. We take up food on the 1st Sunday of each month.

This year our Easter Giving supported The Outreach Foundation's Mission to The Good Shepherd Primary School and the Presbyterian Church in Baghdad, Iraq. Last year we supported the Presbyterian Church in Syria through the Outreach Foundation. The Outreach Foundation has taken the place of the One Great Hour of Sharing we always supported through PCUSA.

We periodically get calls and requests from people in the community and we assist when we can.

Our Christian Ed folks are in VBS mode right now and it's scheduled for July. Also we have 3 adult Sunday School classes, a youth class, and a children's class.

Also being coordinated is a celebration of our First Responders. We have not yet scheduled a date for that event.

SVPC has been through a multitude of big changes over the last 15 years, including personnel and denomination, physical and a name change, and growth spiritually. This church and its people have been resilient and faithful and we have persevered.

We loved Christ and ministered in His name for more than 125 years at FPCB before we felt a calling to refashion our ministry. As we transitioned to SVPC, our mission was to proclaim the Good News of the love of God through Jesus Christ in the Mc Calla community. The location has changed but the telling of the old, old story of Christ's love for all remains the same. Because the Lord is our Shepherd, every person is welcome.

OUR MISSION

Magnify God

Make Disciples

Meet Human Needs.

OUR PURPOSE

To be a community of Christ followers who:

Worship in spirit and in truth (John 4. 23)

Teach the Word of God (2 Timothy 3. 16-17)

Nurture one another for growth (Romans 12.10)

Bond to support one another in joy and need (Philippians 1.7-8)

Disciple those who don't know Christ (Matthew 28.19-20)

And serve in mission in the community (Matthew 25.31-46)

OUR VISION

To reach the greater McCalla community and expand the Kingdom of God by displaying the love of Christ and connecting with people of all walks of life through our creative services, discipleship, and outreach.

OUR HISTORY

The First Presbyterian Church of Bessemer, Alabama was established on April 10, 1888 by action of the Presbytery of North Alabama, barely a year after the incorporation of the city of Bessemer. Nineteen persons were part of that brand new church.

Since then, four different church buildings have been home to this congregation. The first was a white frame building on Sixth Avenue and Eighteenth Street.

As the city grew, so did the church. In 1909 the congregation erected a beautiful, red brick Gothic style church building and relocated to Third Avenue and Eighteenth Street.

The third plant was a gradual replacement of existing facilities. After demolition of a small part of the facility, an educational building was erected and completed in 1952.

The remaining units of the plant, the Fellowship Hall and the Sanctuary, were completed over the next few years and the dedication of the completed church was celebrated in June of 1962. A pipe organ was added and dedicated in 1987 and an adjacent parking lot was purchased in 1990.

In November of 2014, the fourth and current plant took us to a new location under a new name. After acquiring property and constructing a new building, we moved to Mc Calla and became Shepherd of the Valley.

More important than the buildings have been the people. During our many years of existence, thousands of men, women and children have been part of the worship, work, and witness of this church. Twelve full-time pastors and other dedicated staff members have shared their leadership in this ministry. Many programs and opportunities for study and service have added to the vitality of this congregation. Although we have experienced many changes, our church continues to be a vibrant witness to the presence of God in our community and to the world.
