

Transitional Pastor Position

Kirk of the Keys

Marathon, FL

The Kirk of the Keys ECO Presbyterian Church is seeking a Transitional Pastor to serve in Marathon, Florida as our PNC begins the process of seeking a permanent pastor.

The Kirk of the Keys is a strong, diverse church located in the beautiful Florida Keys. Our congregation has shown its strength, resiliency, and service in the aftermath of Hurricane Irma and we are excited to move forward in the mission of rebuilding and supporting our beloved community.

The Kirk of the Keys offers two Sunday services; a contemporary service with a talented and dedicated praise band, as well as a traditional service that embraces a deep, worship-filled experience. Our congregation encompasses young families, snow birds, and everyone in between.

Our church is led by our Pastor, a strong group of Elders, as well as an enthusiastic office administrator. Pastoral duties include:

- Lead weekly worship services
- Provide meaningful, engaging sermons
- Care and counseling
- Perform special services (baptisms, weddings, funerals)
- Coordinate with band leader, choir leader and office administrator
- Moderate monthly Session meetings and advise committees
- Visits to members in home or hospital
- Outreach to community Post-Irma and beyond

Manse on Florida Bay, warm weather, great fishing, and beautiful scenery included.
