

## ***Lead Worship in Beautiful Idyllwild!***

[Idyllwild Community Church](#) seeks a part-time music leader to choose and lead music. Two to three songs would be sung at the beginning of the 9:30 Sunday service, and offertories as needed.

Music will range from contemporary praise, to newer arrangements of traditional hymns. Guitar accompaniment is preferred, though piano is possible. Our congregation is mature and our service traditional, but we are looking to make a transition to a more typical worship style at our growing church.

**Love worship?** This is a great way to get started as a leader, hone your skills and grow your heart. And the position can grow with you. The worship leader works with the pastor and others to plan the service. The Worship Leader should play and sing, and most importantly, love Jesus! To qualify: musicians should have a humble heart and the desire to grow!

You'll also need to have reliable transportation and be available by phone/e-mail/text during the week.

Starting pay is \$150/week, but commensurate with experience.

Contact Senior Pastor Matt Soeter at 951-640-3055 (c), or [jmsoeter@yahoo.com](mailto:jmsoeter@yahoo.com) for more information and to schedule an audition.
