HOPECOMMUNITY

Wilmington, NC

Hope Community is a 9-month old church plant on the coast of North Carolina in Wilmington. We are praying for a Christ follower with a heart for ministry, the skills to lead others in worship and a teachable spirit to join us in this new movement.

Details

This 9-month experience is created for the person who is discerning a call to serve the local church and particularly in the worship life of the church. The intern will work closely with the pastor in creating and implementing the weekly worship gathering. This position will also have plenty of opportunities to grow and experience the varieties of leadership required to lead and serve the church.

Logistics

- 15-20 hours per week from September to May.
- Housing provided with a family in the church.
- \$750 per month.
- Assistance in finding another part-time job.
- Ministry mentorship provided by the pastor and a worship coach/mentor will be provided as well.

Necessities

A sincere faith in Jesus Christ and a heart for his church.

A teachable disposition.

Ability to lead others in worship musically.

Helpful Skills

Recruiting and leading musicians.

Basic sound and computer skills.

Building community with multiple generations.
