

ECO CHURCH PLANTING ACCELERATOR GRANTS

Mission Statement

Building Flourishing Churches That Make Disciples of Jesus Christ

Vision

As ECO began, our desire was not simply to create another denomination, but to truly be a movement that recaptures the best of our Presbyterian and Reformed heritage to saturate our broken and hurting world with the transforming power of Jesus Christ. We are committed to reaching a new apex in our next decade of ministry, by envisioning 1,000 planted, revitalized, and flourishing ECO congregations and micro-expressions by 2030. To make this passion a reality, we must aggressively recruit, train, re-train, and deploy 1,000 vocational leaders and 10,000 highly invested lay leaders. In doing so, we see hundreds of thousands of movement-equipped people emerging for daily gospel influence.
