Mission & Vision

Our Mission: To reach the lost at any cost with the good news of Jesus Christ

We believe in the evangelical and reformed doctrines of our ECO denomination.

Origin History

Our church began
worshiping together
in 1772.

Our current building was constructed in 1854.

Recent History

In **2017**, through ECO, Middle joined a two year church revitalization cohort, which has been pivotal in our facility renovation and the renewal of our early roots... to reach those who have not met their personal Lord and Savior, Jesus Christ!

In **2015**, for a variety of theological and biblical reasons, Middle asked to be dismissed from PC(USA) and affiliated with a new Presbyterian denomination, A **Covenant Order of Evangelical Presbyterians (ECO)**.

Who is Middle Presbyterian?

We are a rural church located in the Laurel Highlands, 50 minutes southeast of Pittsburgh. We are a faith community of mixed ages, family structures, and income levels. Our blended/contemporary worship is shared to our [YouTube](#) and [Facebook](#) pages.
